

1 After my past three months down here at the Convention
2 I might say there have been many things that I have supported
3 or rejected which as a ~~Commission~~ member I approved and
4 I think this is true. I have noted for instance Dr. Bard,
5 who served with me on the Commission did not bring up
6 consumer protection at that time, either. And there are--
7 I did not come here prepared to rubber stamp the draft,
8 although I am very proud of it.

9 THE CHAIRMAN: Delegate Child.

10 DELEGATE CHILD: That is a rather long answer
11 to my question, Delegate Bothe. I asked you if it was
12 included in the draft.

13 DELEGATE BOTHE: It is not.

14 DELEGATE CHILD: In the Bill of Rights.

15 DELEGATE BOTHE: It is not.

16 DELEGATE CHILD: Was it considered?

17 DELEGATE BOTHE: I do not know.

18 It was not considered on the floor of the Commis-
19 sion at all. It probably was considered by the Commission's
20 Committee on Personal Rights but I did not serve on
21 that Committee.
